

Prayer requests: _____

What is Jesus asking you to do?: _____

GET CONNECTED

Interested in serving with Foundry? Check out the welcome table for more information on our Ministry Teams:

FOUNDRYkids

Each Sunday, we create a safe, secure and fun environment for children ages 0-5th grade to learn about how Jesus is big enough. FOUNDRYkids volunteers can teach, help with set up, check-in or tear down.

Welcome Team

Our welcome team creates the first environment people experience when they come to Foundry. Volunteers prepare coffee, place Foundry signage and serve as greeters, among other things.

Set Up/Tear Down

Our Setup/Tear Down team is responsible for creating the structure of our Sunday morning worship spaces.

Worship Arts

At Foundry, we desire to create a worship environment that fits our culture and draws each person into a unique experience with the Living God. Team members set up equipment, run audio/video, participate in planning worship or serve as a vocalist or musician.
